Amrutha's Classic Shrine

Bangalore has become crowded & Expensive which is unfortunate but true. However, a positive outcome of this growth has been the development of well planned & self sufficient suburbs in & around the outskirts of Bangalore for future home owners & smart investors.

Amrutha's Classic Shrine is a DC Converted Layout located in the hub of Pillagumpe Industrial Area. The Company's vision as a real estate development company is to develop self-reliance in young people and help them to have a home of their own. Wrapped around this vision is the company's mission to deliver unique integrated lifestyle and work place environments and planned developments. One of its main focus areas is developing integrated master planned communities means where in the developments have one or more community facilities, including hospitals, schools, retail and commercial building enabling "LIVE, WORK and PLAY" theme within the same development.
